File No. : **24** - _____ **RC**

Arcadia owns many of the properties under, on and above the local roadways and sidewalks, usually extending 10 to 20 feet beyond the roadway pavement. The public right-of-way often extends well into what appears to be private property. To protect public and private assets including sewer and water lines, telephone, power and other utility infrastructure, a Right-of-Way Construction Certificate required for these types of construction activities.
